

PRINCE2® Project Management Get PRINCE2® 7 certified with HiLogic PRINCE2 Practitioner

Practitioner Course Information

PRINCE2 is a project management methodology that will benefit all types of projects and projects of different sizes. Designed to facilitate effective control of projects it consists of 5 integrated elements: Principles, People, Practices, Processes and the Project context.

The 2 day Practitioner course is a program designed to develop the participant's ability to apply PRINCE2 in different project environments and adapt PRINCE2 under specific project scenarios.

The Practitioner training will:

- Expand the participant's understanding of the principles and philosophies underpinning PRINCE2.
- Provide detailed explanations on PRINCE2's elements, their relationships and how they can be applied in different project environments.
- Provide participants experience in applying PRINCE2 in different project environments.
- Explain how PRINCE2 can be effectively applied to address the needs and problems of a specific project scenario.
- Provide participants experience in applying PRINCE2 to address the needs and problems of a specific project scenario.
- Prepare participants for PRINCE2 Practitioner Certification.

Course Composition

The training is a scenario based training course focusing on the application of PRINCE2 under different project environments and scenarios. Review and revision sessions of all PRINCE2 elements are included throughout the training.

Practitioner Exam

The PRINCE2 Practitioner exam is a 2.5 hour scenario based open book exam.

The maximum score for the exam is 70 marks. The candidate must acquire more than 42 marks to pass the exam.

Practitioner Re-registration

To renew Practitioner certification PRINCE2 Practitioners are required to be re-registered within 3 years of their original certification.

How to enrol into our courses

HiLogic offers a calendar of public courses plus in-house training courses. For our public courses you can enrol online by visiting www.hilogic.net

Who should attend?

Project Managers in need of a method to help manage projects of different types and sizes and Project and Programme support staff wanting to learn how to effectively apply PRINCE2 to projects.

Prerequisite

To attend this course the participant must have successfully passed the PRINCE2 Foundation examination (6th or 7th edition).

HiLogic is a PRINCE2 Accredited Training Organization. Our training and coaching services are designed to assist organizations to quickly develop the skills base and 'know-how' needed to effectively apply PRINCE2. To support the different ways people learn, our courses include a mixture of presentation, class and group exercises and question and answer sessions. To learn more about how PRINCE2 and our services can benefit you, contact us now or visit www.hilogic.net
